

BTEC Level 2 Childrens Play, Learning and Development

The course comprises of three units and is equivalent to one *GCSE A*-G*:

Unit 1: Patterns of Development (Examination Unit)

In this unit you will:

- understand growth and development in children
- understand the characteristics of children's development from birth up to eight years
- understand how adults in early years settings can support children's development

Unit 2: Promoting Children's Development through Play (Internal assessment)

In this unit you will:

- understand how play promotes children's development in early years settings
- understand how different play opportunities promote children's development
- understand how play is structured in early years settings to promote children's development

Unit 3: Principles of early years practice (Internal Assessment)

In this unit you will:

- understand the importance of inclusive practice in early years
- explore ways in which early years settings implement inclusive practice
- understand how children are empowered in early years settings
- understand the importance of the key person approach in supporting children's development
