If a specific room number has not been stated please liaise with your subject teacher.

- During the exam season we will endeavour wherever possible to provide a 1 hour workshop with subject specialists prior to a PM (afternoon) exam taking place. Pupils will be provided with specific details relating to timing / venue by their teachers nearer the time.
- It is now vital that pupils attend school with an array of revision materials, books and study notes and not solely the books for their timetabled lessons on a specific day. Pupils may find themselves in a situation where they have revision time within the school day and we will require pupils to provide their own subject specific revision materials when this opportunity arises.
- Please note that subject teachers are available to support pupils with any subject queries, during their timetabled lessons or at a mutually convenient opportunity.
- Please do not hesitate to contact your child's subject teachers or Mrs S Rapi – Head of Year 11 if you require further clarification or have a query we may be able to assist you with.
