PENNAETH/HEADTEACHER: Mr David Haynes

1st October 2021

Dear Parent/Carer,

As we come to the end of the first month of our return to school, I would like to take this opportunity to update you on the progress we have made so far. I would also like to thank our wonderful pupils, staff and the wider community for the way in which they have warmly welcomed me to Ysgol Greenhill School. I very much look forward to working with you all, during the rest of this academic year.

I have been mightily impressed with the manner in which you have all embraced our new teaching and learning strategy, including the launch of our Ready 2 Learn policy. The feedback we have received from pupils, staff and parents/carers is incredibly positive and I am delighted to report it has had a significant impact upon the Greenhill learning environment. I would also like to thank the staff for their willingness to offer an extensive range of extended learning opportunities including music, homework clubs, sports teams, outdoor learning to name but a few. Our pupils have thoroughly enjoyed and benefitted from being involved in these over recent weeks.

It has been a pleasure to see our pupils wearing their uniform with pride this term. It has certainly contributed to the positive ethos around school where our #TeamGreenhill values are clearly visible.

I would like to draw your attention to the information that has recently been issued by the Local authority for parents and carers:

[Covid-19 guidance issued for parents - Pembrokeshire County Council](#)

In line with Welsh Government guidance, we continue to follow strict measures across the campus, designed to keep our learners and staff safe. Thank you for help in this endeavour, by continuing to observe physical distancing measures when visiting the school. Our Covid - 19 Risk Assessment can be viewed on our website:

[Ysgol Greenhill school Tenby, Pembrokeshire](#)

There has been an encouraging increase in the number of pupils who are taking part in the Lateral Flow Testing programme. These tests provide a significant safety measure, and we have already seen the benefit as pupils who have a positive lateral flow test can self-isolate whilst they follow Test Trace Protect guidance. We are very grateful to all of you and would encourage anyone not already taking part in our LFT programme to contact the school to obtain a LFT consent form.

I must pay tribute to our incredible teaching and support staff who have done an amazing job in keeping the lines of communication open for you and in keeping the school as safe as possible. We appreciate that there are a variety of avenues of communication open between home and school such as our temporary school planner and ClassCharts and we welcome your messages and feedback. However, we do ask that for efficiency of safeguarding that all pupil absences are reported on the first morning of absence prior to 8.30am by telephoning 01834 840100 or by emailing greenhill@hwbcymru.net

I very much value the strong relationship which exists between the school, parents/carers and the wider community, where we share the common goal of providing the best educational experiences possible for our pupils. During these challenging times, it is so important that we continue to support each other in achieving this. Please continue to check our website for any additional information and do not hesitate to contact us should you require further clarification on any of the above. Thank you all for your continued support and trust.

Kind regards,

A handwritten signature in black ink, appearing to read 'D Haynes'.
